Glas Abmessungen:

Glass dimensions:

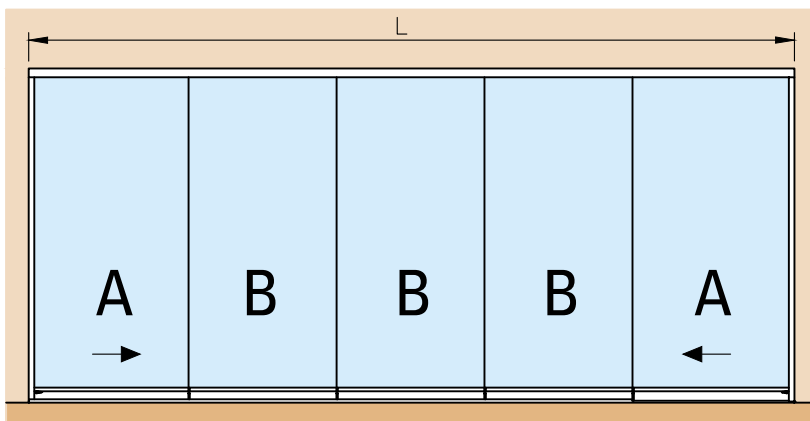

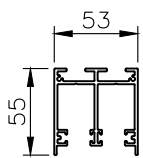

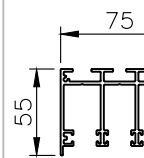

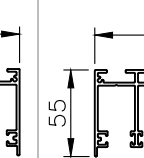

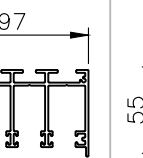

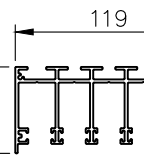

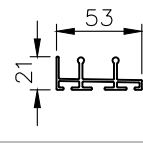

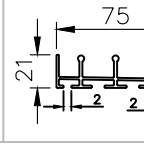

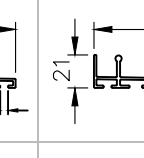

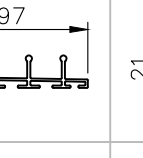

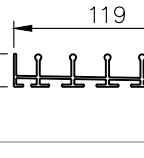

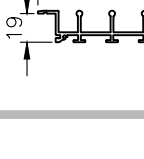

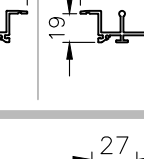

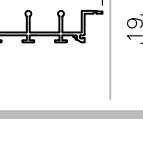

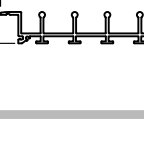

Glasabmessungen werden durch das Maß " L " (Durchgangsbreite), das Maß " H " (Durchgangshöhe) und die gewünschte Anzahl der Scheiben ermittelt.

Glas nicht im Lieferumfang enthalten und kann auf Anfrage bestellt werden.

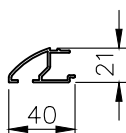

Glass dimensions are calculated by the 'L' dimension (clearance width), the 'H' dimension (clearance height) and the required number of panes.

Glass is not included in the scope of delivery but can be ordered on request.
